Board appoints Zeien

Michael Zeien has been appointed by the Antioch Community High School Board of Education to replace Bette Meyer. Meyer is retiring from the board after 17 years as she has recently moved out of the district. The appointment was made at the May 16 board meeting.

A father of four, Bob 20, Christopher 18, Scott 16 and Elizabeth 14, Zeien is familiar with procedures at ACHS. He is employed at Commonwealth Edison.

He feels the "Sports and Fine Arts Dept.'s are super programs" and the academic program is probably "one of the best around," said Zeien.

"We've always had pretty good success with the way our kids have gone through the programs. We followed our kids through the sports program and have been involved with the fine arts. We are pretty involved with what our kids do," said Zeien.

"I've been thinking about this for a few years and had planned to run in November anyway," he said.

Zeien will run again in November when five or six positions are expected to be open.

Faulty vehicle kills pedestrian

A day of fishing ended in tragedy for Adolph Banko, 40, of Cicero, when he was hit by a car driven by Jeffery Kemp, 20 of Janesville and killed.

Banko was walking to his car after fishing on the west side of the Fox River Bridge on Rte. 173 at 11:20 a.m. June 1, when according to Kemp his car hit a bump, causing him to lose control and go onto the shoulder of the

road where Banko was walking. According to witnesses, the car rolled over several times.

Kemp was cited for operating a faulty, unsafe vehicle. Tammy Hintz, 19 of Delavan, was a passenger at the time of the accident.

The driver, momentarily unconscious, was taken by the Antioch Rescue Squad to St. Therese Hospital.

News to be combined with Reporter June 13

Antioch's community newspaper picture will be getting a new look when the Antioch News and the Antioch Reporter are combined to form the Antioch News-Reporter.

Publisher William Schroeder said the first issue of the News-Reporter will be published Thursday, June 13.

The popular features of the Antioch News such as Time Machine, Along the Way with Annie Mae and Good News in the News will be continued. Antioch News subscribers will receive the News-Reporter without interruption.

"We feel the combination of Antioch's two community newspapers is a natural step. The combined paper will be stronger and better. Our aim in the future will be the same as it has been in the past: To serve the entire Antioch community to the best of our ability," Schroeder stated.

ACT-4 to re-open in August

The Antioch Teen Center ACT-4 will close it's doors until August due to scheduling difficulties.

The group would like to thank everyone for their cooperation and help in making ACT-4 a successful, entertaining group.

ACHS students can look forward to many new events by the end of the summer.

Lady Sequoits see end of 'record' season

by LEE ANN MACKULIN

"The winningest single softball season Antioch's ever had," ended June 3 when the lady Sequoits lost to Mt. Prospect 11-6 in the Sectional Final. Antioch went into this game with a 6-2 win over Mundelein in the first sectional game June 1.

"We're a record-setting team," said coach Steve Wapon.

The Waukegan West Regionals saw the Sequoits sweep, beating Waukegan West 7-1, Grant 3-2 and Zion-Benton 1-0 in ten innings.

Antioch ended the regular season with a 19-4 record.

"Defense and the leadership of the seniors" have been the key to this year's success according to Wapon.

"The whole team has done a great job but the senior leadership has been the key," he said.

The first year head coach commends

senior leftfielder Brenda Webb, catcher Tracy Goodyear, second baseman Terry Ramage, shortstop Lisa Rietschel, centerfielder Cheryl Styskal, and rightfielder Michelle Sciortino for their performance this season.

"We've had very good pitching all year from Denise Maple (junior). She was backed up very well by junior Jeri Gutowski," Wapon said.

Previewing next year's team, Maple said, "We'll be losing five or six seniors in starting position. I don't think we'll be a strong hitting team but our defense will be pretty good. We should have a good team."

Commending Gutowski, she said "Whenever she had to go in she did real well. She has good control."

"This is the most wins and the farthest a team (Antioch) has ever gotten," said Maple.

"They've all done well," said Wapon.

Wilmot Speedway to see area challenges

The Antioch Rotary Club will give many area 'friends' a chance to race against each other in a stock car race, June 23, 1985, at the Wilmot Speedway.

The Third Annual Antioch Scholarship Family Fundraiser will begin at 1 p.m. with races starting at 2. A rain date has been set for June 30.

A few races to watch for are between Antioch High School administrators, the Rotary Club members against area financial institutions, powder puff race, Lions Club against the Rotary Club and many more.

Anyone interested in a challenge race may call the State Bank of Antioch at (312) 395-2700 to submit their entry.

Past races have seen such surprises as racing blindfolded, racing in golfcarts, garden tractors, garbage trucks and gravel trucks.

The money raised will be used for scholarships for Antioch Community High School Students. Tickets are available at the State Bank of Antioch, First National Bank and any Rotarian.

Sets parade

The second annual Antioch News-Reporter Pet and Bicycle parade has been scheduled for July 6 at Williams Park in Antioch.

Late registration will be at 10 a.m. and early registration forms are available elsewhere in this issue. Completed entry blanks can be taken or mailed to the News-Reporter Office at 952 Main St.

The concern of the zoning board was that

Along the way with ANNIE MAE

For anyone that missed seeing Secretary of State Jim Edgar at the Antioch Country House June 4, did you miss one very nice guy! And ladies you missed one handsome man His timing was ironic as he has a very strong platform on driving under the influence. Antioch had a very tragic weekend and lets hope the rest of the summer is made up of no more bad news. Everyone work real hard at having fun and being safe!

The Antioch Jaycees anticipate a great turnout for the Fourth of July celebration. President Don Goodwin says the plans are under way and for everyone to get their water fight teams ready to go. There are going to be bands and food and fun for all members of the family. Of course the Miss Antioch Pageant, the parade, Ernie Levas and the Bloose Brothers and fireworks. Another way to have a very safe July Fourth is to stay right here in Antioch and have a

good time with your friends and neighbors.

You Antioch gals better get your applications in to Glenda now. She says she has lots of things planned for the court and wants to start meeting with the applicants real soon.

Also, if anyone wants to be in the parade, and did not receive a permit just call her at 395-260 and she'll put you in. June 23 is also the Antioch Road Race. All of you runners can pick up an application at the parks office or Raymond Chevrolet and Olds.

We wish all of you Dads a happy Father's Day and hope that it is real special. More cologne and ties to put in the drawer.

I have heard a lot of dads took this week off for golf and fishing trips. Maybe we should call it Father's Week instead of Father's Day. I can't help but think how relaxing it is for Moms though with them out of town.

A note from Jim Edgar... "Drive Safely".

Proposed tavern studied

by LEE ANN MACKULIN

A hearing 7:30 p.m. July 3 will end the disputed proposal of bringing another tavern onto Antioch's Main Street.

A Zoning Board meeting May 29 saw Mike Mazuka present his case to the skeptical board. The building in question is the old EJ's Camera Store. A change to 'special use' would be required if a tavern was brought in.

For zoning to include special use the board must consider the interest of public convenience and if it's detrimental to people or injurious to property value.

Mazuka had run a tavern on Rte. 173 until 'contractual disagreements' with his landlord lead to his seeking a new location.

Unable to reach a decision, board members met the wishes of the Antioch Redevelopment Commission to wait 30 days for them to do a study on the impact of the tavern on the community.

"We have appointed a committee of commission members that will be working with legal council to develop guidelines for the business district. The guidelines will be general in nature but will provide an indication of the types of businesses needed," said Michael Warren head of the commission.

"These guidelines will be used to respond to any changes not just the one in question," said Warren.

"The redevelopment (of the east side of Main Street) may result in a \$5 million expenditure. We want to insure that all of the property value is maximized," he said.

"In the end we'll look back and see that having to deal with this specific question has lead to benefit our project. This is an exciting step for the community and the commission," said Warren.

Damn Yankees splendid

by JEAN RYBICKI
PM&L Theater in Antioch has just opened with another good musical, "Damn Yankees."

Pat Hill and Sander Sundberg are splendid as Meg and Joe Boyd and Shirey Jensen turns in a lovable and priceless performance as Sister.

Tom Hausman turns in an excellent version of Mr. Applegate. His expressions and quips were terrific.

Frank Torrez was so believable as the coach, I think they tossed in a ringer. He must, at some time or other, been a coach in real life. Bruce Berger's singing

in the role of Joe Hardy is very special.

The play is studded with many fine musical numbers. Kathy Hill's (Lola) is delightful in her duets. Plaudits to a fine chorus, especially the singing ball players.

"Heart" of course is the musical standout, sung first by Joe, then by Sister, Doris and the chorus and as the finale.

The popular "Whatever Lola Wants" also goes over well as Kathy Hill's rendition is great.

Well-done direction by Mark Badtke, unusual lighting effects (especially

during the transformation of Joe Boyd into young Joe Hardy), good costumes by Linda Johnson and fine piano accompaniment by Sue Duke.

The show can be seen at the theater on Main St. in Antioch, June 7, 8, 14 and 15.

Receives Awards

The College of Lake County Public Relations office has received four Paragon Awards, presented by the National Council for Community Relations, for excellence in communications for two-year colleges.
